PRICING: The initial selling price of all items accepted by The Nearly New Shop(NNS) will be established by the NNS. The quality, condition, and brand name will influence the initial selling price. The selling price may be adjusted at NNS's discretion (periodic sales) any time during the consignment period.

PRICING SCHEDULE: Prices will be reduced in accordance with our color-coded markdown system. At the end of the initial color period (**up to two weeks from bringing items in**), a 25% markdown is taken; after the next two weeks, 50%; after the following two weeks, 75%. **At this point the item is considered a donation.**

FORMS: Intake forms are available at the shop. A completed white or green form must accompany all items. **White** forms are for clothing and **Green** forms are for boxed, bagged or jewelry items. **A separate sheet must accompany each box, bag or jewelry order.**

ITEMS: Each item is individually priced and each assigned value must be over \$5, otherwise these items will be considered a donation. All clothing must be in current style and season, good condition, cleaned, pressed and on hangers. **All clothing items must be hung in the same order as they are listed on the white intake sheet.** Boxed items must be clean and in salable condition. Batteries must be included with all battery operated items, including watches, Otherwise items will be passed to our mission or considered a donation. First, second and third quarter checks will be available for pickup at the Shop within two weeks following the close of the quarter. Fourth quarter checks will be mailed at the end of the year.

DORMANT ACCOUNTS: Unclaimed consignor account balances more than two years old will be forfeited to The Nearly New Shop.
